VI. CANCELLATION & REFUND POLICY

STUDENT'S RIGHT TO CANCEL

You, the student, have the right to cancel your Enrollment Agreement at any time by providing written notice to LACM at 300 S. Fair Oaks Ave., Pasadena, California 91105 or registrar@lacm.edu. If LACM receives your notice of cancellation by the end of the first class session (first day of classes), or the seventh day after enrollment (seven days from the date when enrollment agreement was signed), (whichever is later), you have the right to a full refund of all refundable paid fees and are not subject to any penalties or obligations. If you cancel after the timeframe defined above, you may be required to pay for the portion of the course that has already occurred, if you have not already done so. All refunds will be in the form of a check and will be processed within 45 days of the receipt of your Notice of Cancellation. Partial tuition refunds may be issued on a prorated basis if you withdraw from the program by 5 p.m. (PST) on the 45th day of the quarter (including weekends) and have paid for a greater portion of the quarter than you have attended. Students who withdraw by the end of the first week of class sessions, or the seventh day after enrollment (whichever is later), receive a full refund, as described above. No refunds will be given after the 45th day of the quarter (including weekends).

WITHDRAWAL FROM THE PROGRAM (PARTIAL TUITION REFUNDS)

Partial tuition refunds may be issued on a prorated basis if you withdraw from the program by 5 p.m. (PST) on the 45th day of the quarter (generally this falls on the Wednesday of Week 7) and have paid for a greater portion of the quarter than you have attended. If official notice of withdrawal is submitted by the end of the first class session (first day of classes), or the seventh day after enrollment (seven days from the date when enrollment agreement was signed), (whichever is later), the students will obtain a full refund of paid charges (tuition and fees).

For the purpose of determining a refund, a student shall be deemed withdrawn from their program when any of the following occur:

- The student's Withdrawal Form received by the Registrar's Office, is the Date of Determination.
- The college terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the college; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the college.
- The student fails to return from a Leave of Absence.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the **last date of recorded attendance**. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal. Refunds will be paid 45 days after the Date of Determination. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund. If any portion of the tuition was paid from the proceeds of a scholarship, grant, loan, or a third party, the refund shall be sent to the lender, the third party or, if appropriate, the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

If LACM receives your notice of cancellation by the end of the first class session (first day of classes), or the seventh day after enrollment (seven days from the date when enrollment agreement was signed), (whichever is later), you have the right to a full refund of all refundable paid fees and are not subject to any penalties or obligations. If you cancel after the timeframe defined above, you may be required to pay for the portion of the course that has already occurred, if you have not already done so. All refunds will be in the form of a check and will be processed within 45 days of the receipt of your Notice of Cancellation. Partial tuition refunds may be issued on a prorated basis if you withdraw from the program by 5 p.m. (PST) on the 45th day of the quarter (including weekends) and have paid for a greater portion of the quarter than you have attended. Students who withdraw by the end of the first week of class sessions, or the seventh day after enrollment (whichever is later), receive a full refund, as described above. No refunds will be given after the 45th day of the quarter (including weekends).

WITHDRAWAL FROM THE PROGRAM (PARTIAL TUITION REFUNDS)

Partial tuition refunds may be issued on a prorated basis if you withdraw from the program by 5 p.m. (PST) on the 45th day of the quarter (generally this falls on the Wednesday of Week 7) and have paid for a greater portion of the quarter than you have attended. If official notice of withdrawal is submitted by the end of the first class session (first day of classes), or the seventh day after enrollment (seven days from the date when enrollment agreement was signed), (whichever is later), the students will obtain a full refund of paid charges (tuition and fees).

For the purpose of determining a refund, a student shall be deemed withdrawn from their program when any of the following occur:

- The student's Withdrawal Form received by the Registrar's Office, is the Date of Determination.
- The college terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the college; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the college.
- The student fails to return from a Leave of Absence.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the **last date of recorded attendance**. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal. Refunds will be paid 45 days after the Date of Determination. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

If any portion of the tuition was paid from the proceeds of a scholarship, grant, loan, or a third party, the refund shall be sent to the lender, the third party or, if appropriate, the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

FEE REFUNDS

Student Activity and Technology Fees will be refunded if you cancel by the end of the fifth day of classes; no refunds will be given after this date. You may return your printed curricula, books and/or equipment in new, unused condition for a refund by the end of the fifth day of classes only if you have provided notice of cancellation and will not continue to attend the school.
