

Please clearly title each video, audio, & PDF file before uploading it into your application

□ AUDITION VIDEOS

Perform two (2) original songs. For at least one of the songs, you must demonstrate the ability to accompany yourself on either piano or guitar. One of the two songs may be a co-write; if so, please describe your specific contributions (e.g., lyrics, melody, hook, etc.).

□ LYRIC SHEETS

Submit lyrics for each of the two (2) original songs performed in the audition videos. Please submit each lyric sheet as a PDF.

PLEASE NOTE:

The Admissions Committee requires live performance videos that reflect what would be presented in a live audition setting. It is essential that you are clearly visible and audible, with the highest possible quality. Videos must not be edited, produced, or enhanced with effects. Overly produced submissions will not be evaluated and must be re-submitted. Pitch correction (e.g., Auto-Tune) is strictly prohibited, and any use of effects (such as reverb) should be minimal.

LIVE AUDITION

Live audition requirements are the same as seen above, except your songs will be performed live and in person. Applicant's must come prepared with the following:

- Bring the musical instrument(s) that you will be accompanying yourself with.
(Only keyboards will be provided by the school)
- If you are performing your song over an audio track, please come prepared with the track downloaded and ready to play on your device.
